

memoryoracle.typed.register
_type_handler

```
graph LR; A[memoryoracle.typed.register_type_handler] --> B[memoryoracle.typed.type_lookup]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'memoryoracle.typed.register' on the top line and '_type_handler' on the bottom line. The right box is white and contains the text 'memoryoracle.typed.type' on the top line and '_lookup' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.
